Re: Docket Number: E-01345A-16-0036 + E-01345A-16-0123

Dear Commissioners,

Allowing APS to increase my monthly charges by as much as 150 dollars per month could destroy the small business I have worked hard to build. APS has not justified why they need to increase my rates. This is an unfair increase to my cost of doing business.

I am not sure why APS feels they need to take more from my bottom line with these increased charges. Small business and startups are driving the Arizona economy and this increase could stop a company before it even starts.

Commissioners, I urge you to vote no on any unfair rate increases.

Sincerely,

Arizona Corporation Commission
